

Our School Aim:

We want all our children to look forward to coming to school and thoroughly enjoy learning while they are here. We strongly believe that the best learning takes place when children are happy, motivated and secure.

To offer all our children a challenging, inspiring and balanced curriculum, seeking the highest standards of personal development, embracing Christian understanding of everyone's needs and difference and to nurture a personal responsibility for the high standards of learning, behaviour and respect for others.

Statement of Ethos & Values

The aim of the Governments Sport Premium Funding is to raise achievement among disadvantaged children. The targeted and strategic use of Sports premium will support us in achieving our stated vision.

Christian Vision: Every Child Matters, Everyone Matters to Jesus

Sports Premium Information:

The Government is providing additional funding of £150 million per annum for the academic years 2013/14 and 2014/15 to improve provision of Physical Education and sport in primary schools.

This funding – provided by the Departments for Education, Health and Culture, Media and Sport – will be allocated to primary schools. Headteachers will have the freedom to choose how they spend the money. The funding is ring-fenced and therefore can only be spent on improving the provision of PE and sport in schools. Ofsted will strengthen the coverage of PE and sport within the 'Inspectors' handbook so that schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision.

The Sports Premium Grant, Allocation 2014/15

In the academic year 2014/15, Kennet Valley C of E Aided Primary School received a Sport Premium Grant of £8,000.

The following provisions will be funded during the 2014/15 academic year:

- Registering with the 'Be the Best You Can Be' to discover everyone's untapped potential within themselves
- The cost of attending, staffing cluster sporting festivals
- A qualified sports coach has been contracted to come into school and teach a range of sports skills to year 2 to year 6 for an hour per week
- The provision of specialist coaching prior to cluster festivals to improve performance and outcomes for the children
- The purchasing of soft bollards to stop ball escaping onto the road or under the cars as well as splitting the playground into two small courts.
- Outside storage chest to allow for easy access to the bollards for use during PE lessons and at breaktimes
- The development / enlargement of the multi skills playing equipment

It will be the responsibility of the Headteacher or delegated member of staff, to report to the Governors' on the progress being made towards improving PE provision in our school.
