

TARGET: With the implementation of our New School Website and the New Curriculum we want to continue to develop the effectiveness of our communication skills throughout the school as well our Digital Literacy skills.

COMMUNICATION & DIGITAL LEARNING

Curriculum & Digital Literacy Priorities for 2014-15

Starting Point	Actions	Term 2 Impact	Term 4 Impact	Term 6 / End of year Impact
We will do this by:				
1. Continue to develop the effectiveness of the New Website				
Sport Report's page to share & value achievements	• Children to write match reports			
	• Parents/staff to email any photos of events			
Development of a Gallery of Children's learning	• Staff to publish key pieces of children's work and celebrate this with parents			
Create an effective resource bank for parents on a range of topics	• Subject leaders to produce a list of effective websites for parents to support learning			
2. Focussed subject weeks to develop all stakeholders' knowledge				
Develop a whole school understanding of Digital Literacy	• What is Digital Literacy?			
	• What are the implications for our teaching of ICT & when using the computers for research?			
	• How do children behave in the digital world both in school & out of school e.g. classroom, outside learning, trips, residential trips & when children are not in school.			

3. Create a plan of training & education for all staff & parents

Understand the New Curriculum – computing, digital literacy, education of behaviours when using technology	<ul style="list-style-type: none"> • Staff meeting, subject leader training 			
	<ul style="list-style-type: none"> • Computing parent’s workshop to include behaviours, e-safety, & safe usage 			
	<ul style="list-style-type: none"> • How do we track progress – Progression in Computing 2014
