

**TARGET:** We need to develop the spiritual uniqueness of our school which will allow all learning styles to flourish and grow within our school. We will need the help of the whole community to be part of this journey including children, staff, governors, parents and the community.

Completed during the summer holidays

In the process of receiving quotes, although struggling to find someone who wants

Introduced during term 2 for numeracy but now being developed for literacy

Discussed on TD days/twilight – creation of role play area in Phoenix classroom

Collaborative ideas sharing of whole school and classroom learning environments

Investigate repositioning of staff parking - to develop lunchtime & break time play and enhance access to a wider range of PE activities.

Introduce use of working walls to encourage independent learning skills

With the creation of the school library that has freed space in the main cloakroom and this can be used for storage – especially the drum kit.

Reorganisation of furniture to create classroom environments suitable to age and needs of the children

New classroom

Playground Space

Develop area outside year 5&6 cloakroom to create creative engaging, stimulating learning spaces within school.

Outdoor Literacy learning spaces develop area outside of new classroom – outdoor staging, outdoor theatre or storytelling chair

# LEARNING SPACES AROUND OUR SCHOOL

Outside learning spaces

Maths/number challenge space opposite patio doors

Has now become a group room, drums have moved to new music cupboards. Parent Noticeboard established

Financial implications, will consider in new financial year

Installation of mural on brick wall in covered area outside the hall to develop our Christian uniqueness.

Reading Recommendations Space by patio doors

Notice board established will need regular updating & maintenance

Inside learning spaces

FS Canopy

Author recommendations have helped expand the reading genre of the older children, evidence in the texts that the children are reading

Next project after Library completion

Area under hall canopy create interactive learning spaces – feelings, number, creative writing

Installation of canopy to meet the direct access requirements of the foundation stage curriculum.

Rotation & repainting of playhouse to develop creative foundation stage play.

Create a school library & group teaching space from Nursery toilets.

Completed in the Christmas holidays by a parent free of charge.

Update Term 2

Completed October 2013

Completed, however we need to consider the play surface as not effective during the winter months

May need to consider changing the grass to astro turf. Therefore enabling more year round play.

Quote shelving received – work should be undertaken in the summer holidays.

Update Term 5

March '14 – Playhouse rotated & repositioned for use by foundation stage

Funding application is in the processes of being sent to Foyles. Autumn 2014 a book sponsorship scheme will be developed with parents

End of year update
