

TARGET: With the implementation of the New National Curriculum in September 2014, we want 'Our Curriculum' to motivate learners to achieve their full potential. Ensuring they make at least 'Expected' progress as they move through the school.

Outside Learning Spaces

21ST CENTURY LEGACY™
Be the Best you can Be!

1. New Learning Space

1. New working space developed outside Phoenix class.

1. Walkway between classroom and new work area.

1. Space for ELSA effective work.

1. Create a "safe" quiet place where children can have opportunity to reflect and calm.

2. Kennet Valley Hall – Be the Best you can Be.

2. Children to write goal/plans for the year or for longer term.

2. Weekly sessions at KVH for PE and PSHE

2. Dream Wall created at school – linked with work completed at KVH

4. Learning within the community.

4. Development of links to the community so that outside school learning can take place.

3. Addition of new outside equipment such as a playhouse.

3. Divider to the doorway, so that children can work outside and warmth can stay in.

3. Foundation Stage

3. Side to current canopy to ensure all weather outside learning.

3. Astro Turf / Artificial Grass
