

'One family learning for life, on a journey towards our potential'

18th July 2017

Dear Parents

We are extremely pleased with the year 6 results. They represent a small part of the work that we do to ensure that all of our children are ready for secondary school and beyond, although we also recognise that our children are more than just this data.

These tests do not show how important, unique and special each of our Year 6 children are. They do not show how creative, friendly and kind each of the children is, and they do not show that they are trustworthy, thoughtful and work their hardest every day. We are incredibly proud of how hard the year 6 children have worked this year irrelevant of their results.

The table below shows our results in comparison to last years, and to the interim Wiltshire and national averages.

2017 SATs results		
		Expected Standard
Reading	2017 Kennet Valley results	75%
	2017 Wiltshire Interim results	72.1%
	2017 National Interim Results	71.5%
