

What does the Kennet Valley School building tell us about the past?

Key knowledge (Fab 5)	Models and Images to support learning	Vocabulary (BIG 6)
<ul style="list-style-type: none"> • Kennet Valley School was built during the Victorian period. During this time, there was a lot of change to education. • We can find out about the past through primary and secondary sources. • The features at the front and back of school are different because they were built at different times. • The plans of the building tell us that children were taught in large groups and that boys and girls were kept separated outside the classroom. • The school's log book indicates that attendance was a problem, likely due to families needing children to work. 	<p style="text-align: center;">Kennet Valley School bell tower (1874)</p> 	<p style="text-align: center;">Victorian period</p> <p>The time that Queen Victoria reigned (1837 – 1901).</p>
