

## Covid-19 Home Learning Plan January 2021 – UPDATE

At Kennet Valley C of E VA Primary School children will receive learning packs if they are at home due to Covid-19. These will contain Reading, Writing, Maths and Topic activities, which are linked to the appropriate year group for the child at home. At the start of a period of self-isolation or lockdown these learning pack will contain revision tasks. Future packs will be based on the same learning that is taking place within school.

### **What should we expect from Remote Education?**

If a child has to self-isolate, because they are awaiting a test result or a positive test or if there is a local/national lockdown then work will be sent home after the first 24 hours.

### **Curriculum**

Children who are using Remote Education will be taught broadly the same curriculum as those that are attending school. The first week pack will be revision of skills that they have learnt earlier in the year, but then the learning packs will be linked to the teaching that is happening in their class at school.

If there is a national lockdown then all children, irrelevant of working at home or in school, will work on the same learning packs. Teachers will provide links to pre-recorded lessons from Oak Academy, White Rose and the BBC, as well as providing short pre-recorded information films themselves.

There may be times when we need to make some adaptations to the remote learning in some subjects such as when children are learning about electricity in Science. At school, they may complete practical tasks that may not be possible at home. In this situation, other learning would be put in place for those at home. Work may also be differentiated by teachers for children with additional needs.

### **Remote study time**

Following DfE guidance, children at Kennet Valley School will have at least 3 hours of learning to complete each day. They will have English writing, reading, maths and topic tasks to complete each day. There will also be RE/PSHCE tasks for children to complete each week. Learning packs will also include mindfulness and PE activities, and children will have access to a range of apps, such as Reading Eggs, Mathseeds, Mathletics, and TT Rockstars.

### **Accessing Remote learning**

All children have their own Seesaw accounts, which will enable them to access the work sent to them. Packs will be uploaded every Sunday evening ready for the week ahead. Once tasks have been completed children/parents should take photos of their work and send them back to the teacher via Seesaw or the class email.

If children need printed learning packs to be delivered, they must contact the school office at the start of their self-isolation or at the start of the lockdown. Packs will be delivered on a Monday morning.

School will also loan out laptops where possible for those children who do not have a device to work on at home. These devices must be returned to the school after the period of self-isolation or lockdown.

In a full lockdown situation school will also send out reading book packs to all children in Year 1/2/3 and other children who need support in reading.

### **Feedback and Assessment**

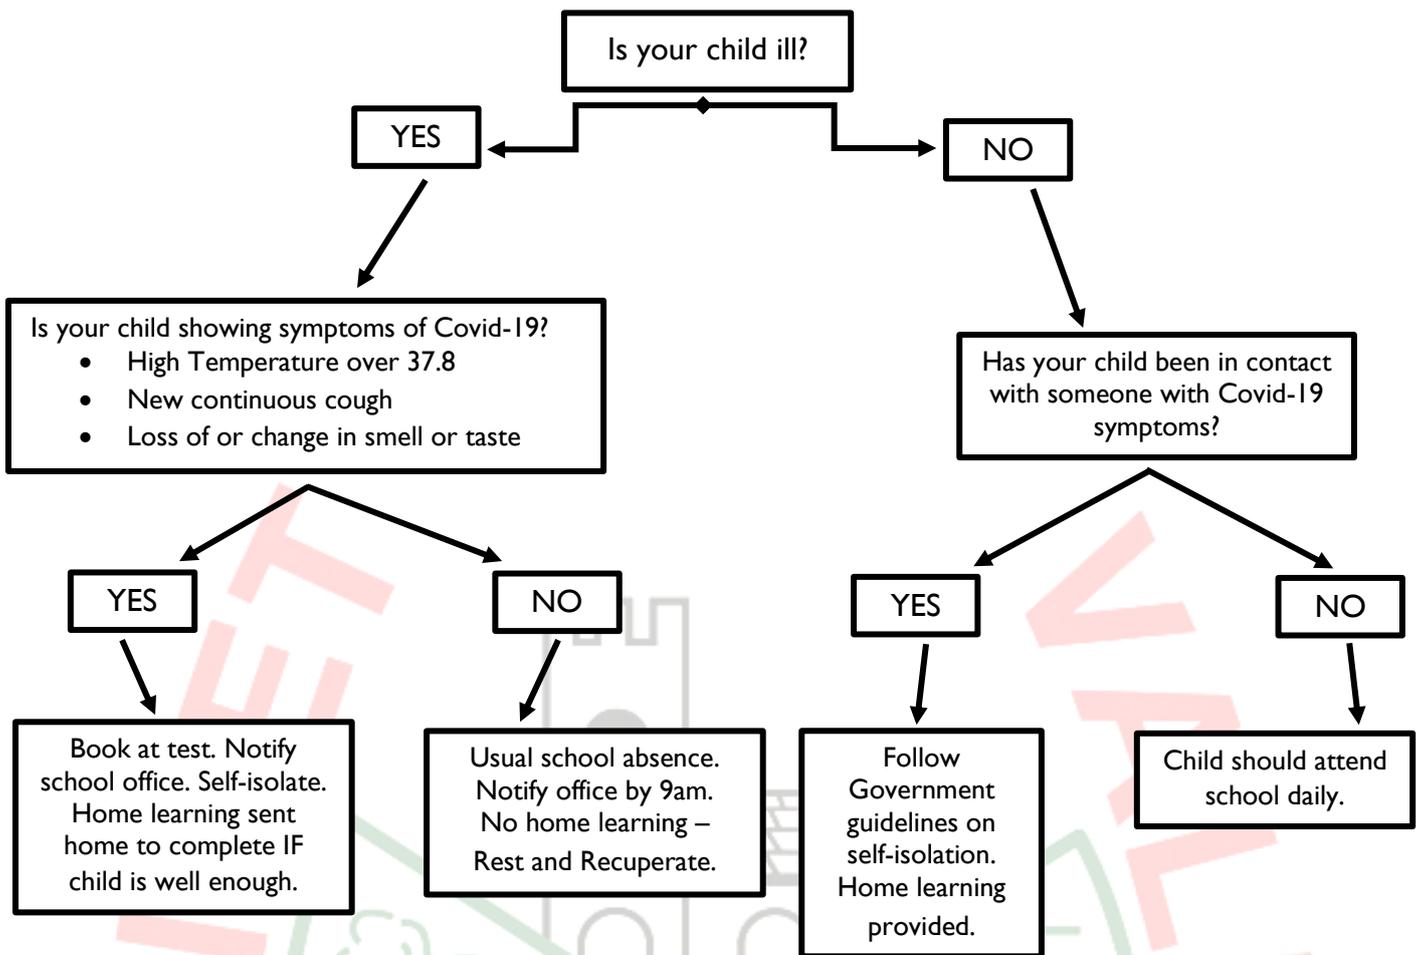

Children will be expected to upload their work daily to Seesaw or the class email. This will be marked and feedback will be given. Feedback will include positive comments and may include next steps or editing requests.

Teachers will keep a register of who has sent work back to them, and if concerned that work is not being returned will contact the family to offer help and support.

# CURIOSITY COMPASSION COURAGE

Scenario	Organisation	Core Learning	Other expectations.
1 Pupil waiting for Covid-test or results.	Learning pack sent home via Seesaw, or printed pack delivered. Weekly learning pack. Child to upload and return work daily.	Reading Tasks Writing Task Maths Task Topic Task  Daily check in with teacher or TA via Teams or on Phone.	Reading – everyday Spelling practice or Reading Egg assignments TT Rock Stars
2 Pupil self-isolating due to family member testing positive, or contact from Track and Trace	Learning pack sent home via Seesaw, or printed pack delivered. Weekly learning pack. Child to upload and return work daily.	Reading Tasks Writing Task Maths Task Topic Task Daily check in with teacher or TA via Teams or on Phone.	Reading – everyday Spelling practice or Reading Egg assignments TT Rock Stars
3 Teacher ill – Non Covid -19 illness	Supply cover	School based learning	School based Learning
4 Teacher ill (Covid-19) Teacher and bubble isolation	Learning pack sent home via Seesaw every Sunday evening, or printed pack delivered on Monday morning if requested. Weekly learning pack. Child to upload and return work daily.	Reading Tasks Writing Task Maths Task Topic Task Daily check in with member of staff team on Phone.	Reading – everyday Spelling practice or Reading Egg assignments TT Rock Stars
5 Pupil ill (covid-19) Teacher and bubble isolation	Learning pack sent home via Seesaw every Sunday evening, or printed pack delivered on Monday morning if requested. Weekly learning pack. Child to upload and return work daily.	Reading Tasks Writing Task Maths Task Topic Task Daily class check in with teacher or TA via Teams.	Reading – everyday Spelling practice or Reading Egg assignments TT Rock Stars
6 Full lockdown / Full school closure	Learning pack sent home via Seesaw every Sunday evening, or printed pack delivered on Monday morning if requested. Weekly learning pack. Child to upload and return work daily. If bubble closes midweek – work sent out after 24hours.	Reading Tasks Writing Task Maths Task Topic Task Daily class check in with teacher or TA via Teams.	Reading – everyday Spelling practice or Reading Egg assignments TT Rock Stars

Scenario	Additional Information
All (1-6)	Learning will be uploaded to seesaw on a Sunday evening for the week. If you need a paper pack of the learning, please let the office know.
4, 5&6	All teachers will be available to give feedback and answer questions between 9.00-10.30am and from 3.30- 5.00pm Monday to Friday. Answers, marking and feedback will be put on to seesaw by 5.30pm each day that the bubble is closed. Parents and children must photograph and upload their work by 3.30pm each day for it to be marked and feedback to be given.
We understand that parents may have work commitments, which will affect timings. Please talk to class teachers if you have any concerns	
All requests for paper copies of learning pack must be made to the office. Pack will be delivered to your child on a Monday morning for the week, or after 24 hours of them being at home.	

### Symptoms of Covid-19

<https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/>

If you have any of the main symptoms of coronavirus (COVID-19), get a test as soon as possible. Stay at home until you get the result.

### Main symptoms

The main symptoms of coronavirus are:

- a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least one of these symptoms.

### What to do if you have symptoms

If you have any of the main symptoms of coronavirus:

1. Get a test to check if you have coronavirus as soon as possible.
2. You and anyone you live with should stay at home and not have visitors until you get your test result – only leave your home to have a test.

Anyone in your support bubble should also stay at home if you have been in close contact with them since your symptoms started or during the 48 hours before they started.
